WE SING . . . THAT THEY SHALL SPEAK

**The Institute of Logopedics
International Service Project of
The Society for the Preservation and Encouragement
of Barber Shop Quartet Singing in America, Inc.**

Barbershop Harmony has a new ring these days — one with a deep and joyous purpose to it. For Barbershoppers are willingly lending heart and voice that silent children throughout the world may be given speech. S.P.E.B.S.Q.S.A. is proud indeed of its International Service Project, the Institute of Logopedics in Wichita, Kansas.

In every community there are men who love to use their God-given talents to sing. In every community too, there are silent children who cannot express even the simplest song or thought imprisoned in their hearts. They look to the Barber-shoppers for escape from their lonely prisons of silence. We are humbly grateful that God has granted us the privilege and talent to sing — **that they shall speak.**

Communication, as every Barbershopper knows, is mankind's most vital tool. As a pioneer in the field, the Institute has brought speech to more than 30,000 persons throughout the world; and has become the largest residential habilitative center. Today more than 3 children per day are restored to the communities to take their rightful places as speaking members of society.

But countless thousands still plead mutely for our help . . . your help. We cannot — nor do we wish to — ignore their unspoken appeals.

Without speech a human's world is dark and his potential unknown.

No one ever dies from a speech disorder. But, for millions existing in silence, it can be a living death.

To meet the needs of the speechless, Dr. Martin F. Palmer, Founder of the Institute, developed an integrated three-fold program consisting of the finest possible clinical services for all communicative problems; expert professional education for logopedics; and an excellent and on-going research organization.

S.P.E.B.S.Q.S.A.'s Service Project, the Institute of Logopedics, overlooks no facet of a child's development in his quest for communication. Our pride in our project, this great facility for the speechless, knows no bounds, and our gratitude at having a part in its future is inspiring.

As we sing, we hear in our hearts a chorus of voices once silent who are joining us in song . . . they are the 30,000 who found speech at the Institute of Logopedics which we proudly claim as our own.

But we are mindful also of the millions who silently look to us — and to YOU — for their birthright — **Speech.**

**WE SING . . . THAT THEY TOO SHALL SPEAK!!
WE INVITE YOU TO SHARE IN THIS WORTHY CAUSE
IF YOU SO DESIRE**

Dear Friends,

Welcome to our presentation of "Magic Moments." We have tried to capture through song, those tunes that stand out in our memories as the moments that cannot be surpassed. Come with us and dip into the well of memories that are so important to each of us.

This has been a fantastic year for us. In addition to winning our 5th International Chorus Championship, we also had the extreme honor of having our "Rotten Kids," the Bluegrass Student Union, become the International Quartet Champions.

It is only fitting, then, that we close out this great year by entertaining our favorite people, without whose continued support we could not enjoy this hobby of Barbershopping.

And now, on behalf of all the Thoroughbreds, it is my pleasure to wish to one and all, a very Merry Christmas, Season's Greetings, and a happy and prosperous New Year!

Harold R. Fow
PRESIDENT

Give The Great Whisky Made Like Great Wine.

This Christmas give something really special. Old Forester, the whisky made like no other whisky in the world.

Old Forester isn't blended. Rather, it gets its color and flavor solely from the maturation process itself.

It's made naturally, like Great Wine.

For example, Great Wine is matured under exacting conditions—to control temperature and humidity. So is Old Forester.

Most great French wines are matured naturally—in oak barrels. So is Old Forester.

Great Wines are "canded" for color and clarity. "Nosed" for aroma and bouquet.

They're bottled directly from the barrel. And, of course, they cost more.

This slow, natural process is how some wines become Great Wines.

And how Old Forester becomes Great Whisky, the perfect Christmas gift in the season's most elegant gift wrap.

The Thoroughbred Chorus Presents

Magic Moments

PART I MAGIC MOMENTS Thoroughbred Chorus

Join us in enjoying a musical tribute to those special times in our lives that we remember through special songs.

These are MAGIC MOMENTS that each of us remember. Perhaps it was your first date, a very moving moment in a fine Broadway show, or the exhilarating experience of viewing a sunset on a tree-bordered lake. Whatever the event, we can all recall those special times and share them through favorite songs.

In the history of the Thoroughbred Chorus there are also MAGIC MOMENTS we remember in song . . . the five very special times when Louisville Chapter No. 1, S.P. E.B.S.Q.S.A. won the coveted International Chorus Championship.

Sit back, relax, and share with us the MAGIC MOMENTS as we remember them through song.

THE THOROUGHBREDS

THE THOROUGHBREDS

Seems like only yesterday we were singing about Those Old Records and one year has passed. What a year! The Thoroughbred Chorus was once again fortunate enough to win the international chorus championship.

Each year several hundred choruses in the Society compete in district competition for the right to compete at the international level. At the international convention, the fifteen top choruses compete for the international championship. The choruses are judged in several categories: Sound, Interpretation, Time, Stage Presentation and Arrangements.

The Thoroughbreds do more than just singing, preparing for their honors: in 1962, 1966, 1969 and again in 1974. Last July 1978, the chorus won its fifth International trophy. Due to international rules the chorus now has to remain out of competition for at least two years.

The Thoroughbreds do more than just singing, preparing for their annual show and competition. They support the Society's Charity "The Institute of Logopedics" and have made quite a number of recordings, among which was "Salute to America" which helped to celebrate the Nation's Bicentennial Year. In collaboration with National Geographic they helped produce a recording emphasizing Barbershopping. These and many more records and tapes are available to the public.

The Chorus has traveled many miles appearing on live shows and television all over the country. The Louisville Chapter has traveled a long road since its inception in 1945 and its Thoroughbred Chorus has established an enviable standard of performing excellence in the process. We hope you enjoy our musical tonight as much as we enjoy bringing it to you.

Thoroughbreds Plan NEW "STABLE"!

The loss of the VFW Hall for rehearsals has sharply emphasized the need for a permanent home for the Thoroughbreds. The most pressing need is for a suitable place to rent on a temporary basis until funds can be raised to start building.

Here's How You Can Help . . .

1. If you have or know of someone or organization that has a suitable place for the Thoroughbreds to use temporarily (for free or for rent), please advise Harold Fow, president, ASAP. Ph. 968-9013 or 288-7060.

2. **Contribute to Building Fund:** The Thoroughbreds will appreciate any gift for the building fund, whether it be one dollar or one thousand. The fund, established by the Board of Directors in August 1978, now has a total of about \$1500., of which more than \$800. was raised through orders by our friends and families from The Gift Mill. Help make this "seed money" grow like Jack's beanstalk!

SEND ALL CONTRIBUTIONS TO: Vance Fritton, Building Fund Committee, 4408 St. Regis Ln., Louisville, 40220. Make checks payable to: Thoroughbred Building Fund.

ALL CONTRIBUTIONS ARE TAX DEDUCTIBLE!

We'll go along with you.

NEED ENTERTAINMENT?

We hope that after hearing the SPEBSQSA International Champion Thoroughbred Chorus tonight you will want to hear them again. The Chorus and Quartets are available for Parties, Conventions, Shows, etc.

If you are interested in engaging the Chorus, if you would like to become a Thoroughbred or if you would like more information about this wonderful hobby of Barbershopping, we invite you to contact the Louisville chapter, S.P.E.B.S.Q.S.A., Inc.

BLUEGRASS STUDENT UNION

The Bluegrass Student Union was formed in January 1974. Al Hatton, his younger brother Ken, Dan Burgess and Rick Staab were the only young people in the Louisville chapter at that time, so it was only natural that they started singing together. Al and Ken's dad and Dan's father are both 25+ year members of the Society. Therefore, the three sons grew up in Barbershopping, attending chapter shows and going to conventions until they were old enough to join. Rick was also involved in Barbershopping for several years before he joined since his older brother was a member of the Thoroughbreds.

The quartet's first contest was the international preliminary four months after they formed. They came in fourth, and would have been third if they hadn't been assessed a time penalty. In the Cardinal District contest that fall, the "rotten kids" as they had affectionately been nicknamed by the Thoroughbreds, came in first, becoming the youngest quartet to ever win that district's contest. The following spring the Bluegrass Student Union was named as Cardinal's alternate quartet to the international contest which was in their district, making them the mike testers for the convention. In 1976, the quartet finally got to represent their district in the international contest in San Francisco, where they surprised everyone, including themselves, by winning a fourth place medal. It was like a dream come true for four "Barbershop brats". After dropping back to sixth place in the 1977 contest, the Bluegrass Student Union came back to win the big one in '78 just a few hours after the Thoroughbreds had won the chorus contest. Louisville is the first chapter to hold both the quartet and chorus championships in the same year.

The Bluegrass Student Union's success points out that older men aren't the only ones who enjoy barbershop quartet singing since their average age is under 23 years. It also says a great deal about the legacy of the Society's founders because the quartet is probably the first "second generation" group to win the international contest. Because of their barbershop upbringing, the Bluegrass Student Union understands the responsibilities of the championship and have pledged to follow the examples of the Society's great past champions.

PROS 'N' CONS

The PRO'S 'N' CONS have been called the Mid-Atlantic District's most exciting new quartet, but the "new" most certainly applies only to the quartet. Between them, these four men have more than 100 years of quartetting experience! Individually, in other quartets, they have won 5 International Medals (including 2 Gold Medals) and a total of 7 District Championship crowns. Three are Certified Judges and all four either are or have been chorus directors. The quartet has chosen not to compete at this time. Quality singing is foremost in their approach with good entertainment as a bonus. From left to right in their photograph, the members are Harry Williamson (tenor and a personnel representative), Fred King (baritone and music teacher), Carl Snyder (lead and salesman), and Tom Ewald (bass employed by the U.S. Government). The PRO'S 'N' CONS have a smooth sound, yet a very exciting one. They can soothe you with a beautiful ballad and tear down the house with an exciting uptune. Don't let the 100 years of experience fool you. . . these men are as active onstage as ever! Just give 'em a listen.
